

Whatever else the Democrats' efforts to write *Roe v. Wade* and *Obergefell v. Hodges* into federal law indicate, they demonstrate decisively that *Roe* and *Obergefell* were illegitimate in the first place.

*Courts can't make laws.*

There's more. The tenets of *Roe* and *Obergefell* stand contrary to America's founding principles. *Roe* violates a person's unalienable right to life, and *Obergefell* violates "the Laws of Nature and of Nature's God."
